it appears to be a fact history repeats itself the good and the bad seem to recycle generation after generation however two factors seem to make the process more dangerous and deadly the population growth and the prophecy of god as the inhabitation of the world expands and the influences of satanic powers prevail conditions and consequences develop that literally invade the minds of people with terror and tears the fabric of society apart in his book stop the world and let me off reverend graham deals with concepts that demoralizes and diminishes the foundation of life s ethnics economics and environment reverend graham explores the causes the consequences and the change that affects our world and causes man to want to jump ship and escape the dilemma yet within the pages of this book you will find the challenge for change and the celebration of hope that is available

a spiritual quest typically begins with a critical shock or loss one that casts us back upon ourselves to question the meaning of life should our suffering affect us deeply enough it will plummet us into our hearts where the hidden treasures of life are to be found should we happen to fully let go we will let go into what is and thus adversity and pain fulfill their natural roles from that point onward our emphasis and priorities change but discovering our truth and living by it are entirely different things obstacles frequently beset our path some without the greater part within everything is useful identifies such obstacles it offers strategies for overcoming them by seeing them as what they are cosmic strength

building exercises that empower us to learn to grow and ultimately to transcend for like the pain that sparked our quest the obstacles in our way double as a means to enlightenment
